CSVT Update for Upcoming Week

Montoursville, PA – Work is progressing on the Northern Section of the Central Susquehanna Valley Transportation (CSVT) project in Northumberland, Union and Snyder counties as follows:

River Bridge:

The contractor, Trumbull Corporation, will continue work on the CSVT river bridge.

Substructure work is in various stages on piers on the eastern portion of the bridge.

Equipment will be working adjacent to Route 147. There will be periodic lane closures under flagging. A 10-foot width restriction is in place on Route 147 for pier construction.

Winfield Interchange:

The contractor, New Enterprise Stone & Lime Co., Inc., has shut down operations for the winter. Work will resume in the spring.

Motorists are advised there will be intermittent, single lane traffic impacts in both directions as the contractor resumes work on structures, pipe and earthwork in the next couple weeks.

Northumberland County:

The contractor, Trumbull Corporation, continues work on the Wooded Run Bridge and Chillisquaque Creek Bridge.

Motorists should be alert for construction vehicles entering Route 147 at the Chillisquaque Creek bridge and Ridge Road near the new interchange.

Northern Section Paving:

The contractor, New Enterprise Stone and Lime Co., Inc., will begin paving in the spring. This work will include bituminous and concrete paving, drainage, sign structures, highway lighting and traffic signals.

For more information on the CSVT project, please visit www.csvt.com.

Subscribe to PennDOT news in Bradford, Columbia, Lycoming, Montour, Northumberland, Snyder, Sullivan, Tioga and Union counties at www.penndot.gov/District3.

Motorists can check conditions on more than 40,000 roadway miles by visiting www.511PA.com. 511PA, which is free and available 24 hours a day, provides traffic delay warnings, weather forecasts, traffic speed information and access to more than 860 traffic cameras.

511PA is also available through a smartphone application for iPhone and Android devices, by calling 5-1-1, or by following regional Twitter alerts accessible on the 511PA website.
