CSVT Update for Upcoming Week

Montoursville, PA – Work is progressing on the Northern Section of the Central Susquehanna Valley Transportation (CSVT) project in Northumberland, Union and Snyder counties as follows:

River Bridge:

The contractor, Trumbull Corporation, will continue work on the CSVT river bridge.

Substructure work is in various stages on piers on the eastern portion of the bridge.

Equipment will be working adjacent to Route 147. A 10-foot width restriction is in place on Route 147 for pier construction.

Winfield Interchange:

The contractor is New Enterprise Stone & Lime Co., Inc.

Motorists are advised there will be intermittent, single lane traffic impacts in both directions as the contractor resumes work on structures, pipe and earthwork.

Motorists should drive with caution and watch for construction vehicles entering and exiting the construction site near the interchange.

Northumberland County:

The contractor, Trumbull Corporation, continues work on the Wooded Run Bridge and Chillisquaque Creek Bridge.

Motorists should be alert for construction vehicles entering Route 147 at the Chillisquaque Creek bridge.

Beams are expected to be delivered at the Ridge Road Interchange over the next several weeks.

Northern Section Paving:

The contractor, New Enterprise Stone and Lime Co., Inc., will begin paving this spring. This work will include bituminous and concrete paving, drainage, sign structures, highway lighting and traffic signals.

There will be a shoulder closure on Route 147 northbound north of Chillisquaque Creek. Temporary concrete barrier will be installed.

For more information on the CSVT project, please visit www.csvt.com.

Subscribe to PennDOT news in Bradford, Columbia, Lycoming, Montour, Northumberland, Snyder, Sullivan, Tioga and Union counties at www.penndot.gov/District3.

Motorists can check conditions on more than 40,000 roadway miles by visiting www.511PA.com. 511PA, which is free and available 24 hours a day, provides traffic delay warnings, weather forecasts, traffic speed information and access to more than 860 traffic cameras.

511PA is also available through a smartphone application for iPhone and Android devices, by calling 5-1-1, or by following regional Twitter alerts accessible on the 511PA website.
