CSVT Work Update

Montoursville, PA – Work is progressing on the Northern Section of the Central Susquehanna Valley Transportation (CSVT) project in Northumberland, Union and Snyder counties as follows:

The River Bridge:

The contractor, Trumbull Corporation, will continue forming and placing rebar in preparation for constructing the concrete bridge deck later this summer.

Northern Section Paving:

The contractor, New Enterprise Stone and Lime Co., Inc., will place subbase (aggregates) and grade the subgrade in preparation for paving which will take place later this summer. Erosion control features will be constructed on both sides of the Susquehanna River as well as the installation of drainage.

There will be minimal interference to current traffic patterns. Motorists should remain alert for construction equipment entering and exiting the project sites on both sides of the Susquehanna River which includes areas near Route 147 in Northumberland County and Route 15 in Union and Snyder Counties.

Trumbull Corporation is the primary contractor for the \$156 million CSVT River Bridge. New Enterprise Stone and Lime Co., Inc., is the primary contractor for the \$52 million paving project.

Motorists should be alert, slow down and drive with caution through the construction zone.

For more information on the CSVT project, please visit www.csvt.com.

Work on this project will be in accordance with Centers for Disease Control and state Department of Health guidance as well as a project-specific COVID-19 safety plan, which will include protocols for social distancing, use of face coverings, personal and job-site cleaning protocols, management of entries to the jobsite, and relevant training.
