CSVT Work Update

Montoursville, PA – Work is progressing on the Northern Section of the Central Susquehanna Valley Transportation (CSVT) project in Northumberland, Union and Snyder counties as follows:

The River Bridge:

The contractor, Trumbull Corporation, is continuing to construct the concrete deck over the river bridge. The river bridge is expected to be completed by the end of 2020.

Northern Section Paving:

The contractor, New Enterprise Stone and Lime, Co., continues to prepare the roadway for paving just north of the Ridge Road interchange. This includes work to the subbase, drainage and concrete paving. The final wearing course is scheduled to be paved in 2022, which is the year the roadway is scheduled to be opened to traffic.

The roadway will have two 12-foot lanes in each direction with a 10-foot shoulder adjacent to the driving lane and a 4-foot shoulder adjacent to the passing lane.

Motorists should remain alert for construction equipment entering and exiting the project sites on both sides of the Susquehanna River which includes areas near Route 147 in Northumberland County and Route 15 in Union and Snyder Counties.

Trumbull Corporation is the primary contractor for the \$156 million CSVT River Bridge. New Enterprise Stone and Lime Co., Inc., is the primary contractor for the \$52 million paving project.

Motorists should be alert, slow down and drive with caution through the construction zone.

For more information on the CSVT project, please visit www.csvt.com.

Work on this project will be in accordance with Centers for Disease Control and state Department of Health guidance as well as a project-specific COVID-19 safety plan, which will include protocols for social distancing, use of face coverings, personal and job-site cleaning protocols, management of entries to the jobsite, and relevant training.
