## **CSVT Southern Section Update**

**Montoursville, PA** – Work on the Southern Section of the Central Susquehanna Valley Transportation (CSVT) Project continues in Penn Township, Snyder County.

### **The Week of April 24**

Traffic signals at the intersection of Route 204 and Mill Road are expected to be activated before the end of April. Additional work includes paving of the final wearing course, pavement markings, and other construction activities. Motorists can expect single lane conditions with flagging where work is being performed.

Motorists should be alert, watch for new traffic patterns as work progresses, slow down, expect delays in travel and drive with caution through the work zone.

Motorists can check conditions on major roadways by visiting [www.511PA.com](http://www.511PA.com). 511PA, which is free and available 24 hours a day, provides traffic delay warnings, weather forecasts, traffic speed information and access to more than 1,000 traffic cameras.

511PA is also available through a smartphone application for iPhone and Android devices, by calling 5-1-1, or by [following regional Twitter alerts](#).
