CSVT Updates

Montoursville, PA – Construction continues on the Northern Section of the Central Susquehanna Valley Transportation (CSVT) project in Northumberland, Union and Snyder counties as follows:

Traffic Alert

Paving will continue next week on Route 1024 (Ridge Road) in Point Township, Northumberland County. Work will be performed during daylight hours. Traffic on Route 147 and on Ridge Road will be controlled using flaggers while work is being performed. Motorists should expect delays on both Route 147 and Ridge Road and are encouraged to use alternate routes. The new traffic signal at the Route 147 and Ridge Road intersection was set to flashing mode and full activation is scheduled for the week of May 10 after Ridge Road paving is completed.

Route 15 southbound will continue to be reduced to one lane south of Winfield, near the new bridges spanning Route 15, while foundations for overhead sign structures are installed. Motorists can expect the right (driving) lane to be closed for approximately two months.

Other Construction Updates

Construction activities continue on both sides of the River Bridge. The contractor, New Enterprise Stone and Lime Co., Inc., began concrete paving near the Ridge Road interchange and will continue preparation to begin concrete paving near the Winfield interchange.

For more information on the CSVT project, please visit www.csvt.com.

Work on this project will be in accordance with Centers for Disease Control and state Department of Health guidance as well as a project-specific COVID-19 safety plan, which will include protocols for social distancing, use of face coverings, personal and job-site cleaning protocols, management of entries to the jobsite, and relevant training.

Motorists can check conditions on major roadways by visiting www.511PA.com. 511PA, which is free and available 24 hours a day, provides traffic delay warnings, weather forecasts, traffic speed information and access to more than 1,000 traffic cameras.

511PA is also available through a smartphone application for iPhone and Android devices, by calling 5-1-1, or by following regional Twitter alerts accessible on the 511PA website.
