**October 13, 2017**

## **CSVT Update for Upcoming Week**

**Montoursville, PA** – Work is progressing on the Northern Section of the Central Susquehanna Valley Transportation (CSVT) project in Northumberland, Union and Snyder counties as follows:

### **Winfield Interchange:**

The contractor will finish work on the temporary bridge over US 15.

Any traffic stoppages for this work will occur at night.

The temporary bridge is needed so material can be hauled over existing Route 15.

### **Northumberland County:**

The contractor will continue placing concrete on the Route 147 northbound bridge over Chillisquaque Creek.

Traffic on Hidden Paradise Road and Ridge Road, which run under the bridge, will be controlled by flaggers. Motorists should take alternate routes to avoid delays.

The contractor will be working on structures throughout the project. Work will continue at the box culvert at Ridge Run.

### **River Bridge:**

Construction of the river bridge piers on the west side of the river continues.

The project is currently about 46 percent complete with the bridge itself currently 33 percent complete.

For more information on the CSVT project, please visit [www.csvt.com](http://www.csvt.com).

Motorists can check conditions on more than 40,000 roadway miles by visiting [www.511PA.com](http://www.511PA.com). 511PA, which is free and available 24 hours a day, provides traffic delay warnings, weather forecasts, traffic speed information and access to more than 825 traffic cameras.

511PA is also available through a smartphone application for iPhone and Android devices, by calling 5-1-1, or by following regional Twitter alerts accessible on the 511PA website.
