## **CSVT Update for Upcoming Week**

**Montoursville, PA** – Work is progressing on the Northern Section of the Central Susquehanna Valley Transportation (CSVT) project in Northumberland, Union and Snyder counties as follows:

### **River Bridge:**

The contractor, Trumbull Corporation, will continue work on the CSVT river bridge.

Girders for spans 1 through 8 have been set. Substructure work is in various stages on piers on the eastern portion of the bridge.

Equipment will be working adjacent to Route 147. There will be periodic lane closures under flagging through the winter. A 10-foot width restriction is in place on Route 147 for pier construction.

### **Winfield Interchange:**

The contractor, New Enterprise Stone & Lime Co., Inc., has shut down operations for the winter. Work will resume in the spring.

### **Northumberland County:**

The contractor, Trumbull Corporation, continues work on the Wooded Run Bridge and Chillisquaque Creek Bridge.

Motorists should be alert for construction vehicles entering Route 147 at the Chillisquaque Creek bridge.

### **Northern Section Paving:**

The contractor, New Enterprise Stone and Lime Co., Inc., will begin paving in the spring. This work will include bituminous and concrete paving, drainage, sign structures, highway lighting and traffic signals.

For more information on the CSVT project, please visit [www.csvt.com](http://www.csvt.com).
