CSVT Update for Upcoming Week

Montoursville, PA – Work is progressing on the Northern Section of the Central Susquehanna Valley Transportation (CSVT) project in Northumberland, Union and Snyder counties as follows:

Winfield Interchange:

The contractor will begin setting up traffic control to reduce Route 15 northbound to a single lane next week. Wide loads over 14 feet will be prohibited. The single lane condition is expected to remain in place for most of the construction season. Earthwork will continue during daylight and evening hours. No blasting is scheduled for next week.

Northumberland County:

Route 147 traffic is using a temporary crossover to the new northbound bridge over Chillisquaque Creek. Construction continues on the bridge spanning Ridge Road and Wooded Run.

River Bridge:

Construction of Piers 1 through 8 and the bridge abutment will continue on the west side of the river. Piers 4, 5, 6 and 7 are completed. Concrete is scheduled to be placed for Pier 1, Pier 6 and Pier 8, and the abutment, next week.

The placement of steel girders on a river bridge span will continue next week. Span 5 is complete. Structural steel is expected to be delivered to the project next week. Minor delays on Route 15 near Winfield can be expected during daylight hours. Motorists should be alert and be prepared to stop.

Construction is ongoing on the abutment on the Northumberland side of the river. Concrete is scheduled to be placed for the abutment wall.

For more information on the CSVT project, please visit www.csvt.com.

Motorists can check conditions on more than 40,000 roadway miles by visiting www.511PA.com. 511PA, which is free and available 24 hours a day, provides traffic delay warnings, weather forecasts, traffic speed information and access to more than 850 traffic cameras.

511PA is also available through a smartphone application for iPhone and Android devices, by calling 5-1-1, or by following regional Twitter alerts accessible on the 511PA website.
